25X1 3. [] - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, and in response to his question concerning the pictures in Aviation Week magazine of 19 July, I told him that there has been a change in Soviet policy that has resulted in pictures of the Soyuz missile erection on the pad being released to American news media. Additional pictures will be published in National Geographic in the near future. (This information was received from Mr. Curt Olsen, FMSAC.)

I briefed Mr. Preston on Soviet Y-class submarine construction.

25X1 4. ([] - JGO) Met with Mr. Michael Van Dusen, Near East Subcommittee staff, House Foreign Affairs Committee, concerning the administrative arrangements for the meeting with Chairman Hamilton and the Near East Subcommittee on Thursday, 7 October. The meeting will be held in room 2200 Rayburn House Office Building. Mr. Van Dusen requested that the time for the meeting be firmed up as early as possible since he will need to send out a letter for the Chairman to the members of the Subcommittee. Mr. Van Dusen was granted a TS clearance by the Department of Defense according to a letter to Chairman Morgan from the Assistant to the Secretary of Defense, Rady Johnson, dated 18 August.

25X1A

25X1A 5. (Internal Use Only - PLC) Mr. Wendell Mitchell, Administrative Assistant to Senator Allen (D., Alabama), called concerning Mr. []
25X1A [] an applicant for Agency employment. [] had been
25X1A interviewed Tuesday, 21 September, by Agency recruiter, Mr. []
25X1A but he still wanted to talk to an "actual CIA agent." I explained to 25X1A
25X1A Mr. Mitchell that Agency policy limits personnel interviews to Agency
25X1A recruiters unless a specific position is offered. I assured him that
25X1A Mr. [] application would be carefully reviewed. []
25X1A was subsequently called and stated that [] clearly does not
25X1A qualify for any position. He has talked to several Agency recruiters since
25X1A 1965 and never completed an application until his last interview Tuesday.
25X1A He is recommending against employment. The case was discussed with
25X1A Mr. [] OP, who advised that six recruiters have recommended against
25X1A employment due to poor employment and educational background. Letters
25X1A in connection with Mr. []'s present application were received from
25X1A Senators Allen, Sparkman (D., Alabama), and Representative John
25X1A Buchanan (D., Alabama) and replies by Personnel will be coordinated
25X1A with OLC.
